Frameless

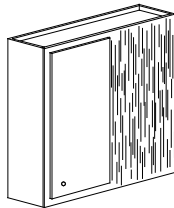

Any standard-size wall cabinet 24" through 48" wide may be ordered as a wall corner cabinet for the same price as the standard wall cabinet.

When ordering a wall corner cabinet insert the letter "BC" in the model no. and indicate whether the blind is on the left or right. 24" through 33" wide cabinets have a single door hinged at the blind side. 36" through 48" wide cabinets have butt doors. Wall corner cabinets have a 5 1/2" mull and MAY be pulled 3".

When designing with 1 1/4" overlay all wall corner cabinets MUST be pulled at least 1". If using surface mounted handles, they must be pulled at least 2 1/2". Wall corner cabinets have a 12" blind, if a different size blind is desired please specify.

A finished blind is available on any wall corner cabinet

Specify WCFB.....\$314

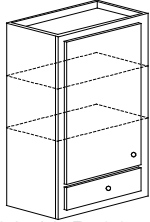

Doors and drawer fronts are priced separately. See section E for details.

## Wall Cabinets with Drawers, 1 Drawer High - 12" Depth

A drawer may be added to the bottom of any standard size wall cabinet. This will add 6" to the overall height and the drawer opening will be 4 1/2" high when using framed cabinetry. Frameless cabinetry will have a 5 1/4" high opening.

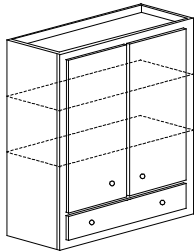

**NOTE:**

- Contact factory for less than 12" depth.
- Frameless 39" to 48" wide cabinets will have a 3/4" center partition.
